

**Press Release
March 18, 2010**

The City of Seguin announces the commencement of the Street and Utility Improvement Project for Guadalupe, Bailey and W. College Streets

What: Street and Utility Improvements

Where: Guadalupe Street (Railroad to Martindale)
Bailey Street (W. College to Krezdorn)
W. College Street (Guadalupe to Bailey)

When: Mobilization in the areas of construction will begin within the next couple of weeks (subject to change due to weather).

Details: The project includes street and utility improvements to Guadalupe Street, Bailey Street and W. College Street.

Construction will initially begin on Bailey and W. College Street and progress to Guadalupe Street. The contractor is V.K. Knowlton Construction & Utilities, LTD.

Drivers are advised to adhere to traffic controls and/or detours and to use extreme caution when driving in the area. Residents should not attempt to contact the contractor during construction.

Questions and/or concerns during construction can be addressed by contacting Capital Projects at (830) 401-2776.
